Agreement Regarding Assignment of Additional FTE

The Evergreen Education Association (EEA) and Evergreen Public Schools (EPS) approve Shannon Young, a certificated employee at Legacy HS of having her 0.8 FTE assignment increased to a 1.0 FTE retroactive to December 1, 2021. Ms. Young, a PE teacher who had been previously extended an additional 0.2 FTE for the 2021-2022 academic year, has already been observing and working to this additional FTE.

EEA and EPS mutually agree this fulfills their commitment to Ms. Young. There will be no posting of this residual FTE/position to the overall bargaining unit.
