

Evergreen Public Schools and Evergreen Education Association

Letter of Commitment

September 10, 2023

Evergreen Public Schools and Evergreen Education Association agree to the following understandings:

1. The District shall work with the PSE Large Group leaders on a memorandum of understanding to create a paraeducator substitute pool.
2. The District shall finalize the work began in 2022-2023 with our high school counselors on student Pathways.
3. The District values the input of each member of the Special Education IEP teams and commits to focusing on the necessary supports of students who receive Special Education Services.
4. The District values our Special Education staff and commits to pay for missed planning of lunches as outlines in the collective bargaining agreement.
5. The District commits to providing District support to buildings for emergency situations due to lack of substitute coverage.

John Boyd, Superintendent
